DESTINATION WEDDINGS

Many people today, including many Catholics are now celebrating their weddings as Destination Weddings at various places around the world (such as beaches, hotels, resorts) even local weddings in parks, acreages, etc.

What many Catholics do not know is that they can (and should) have these marriages blessed in the Church, even if the wedding was years ago.

It is not a difficult process and any priest can inform you of the process. If interested, please call Fr. David or Fr. Marino for more information.
