Welcome in ...

*Welcoming everyone into our midst
as we would welcome Christ.*

BE AN ACTIVE PARISHIONER!

If you are new to St. Luke's,

please register at the parish office by filling out and returning the registration form on the last page of this booklet.

Whether you are new to the Parish, or are a long-time member, consider some of the many ways you can serve as an active member of the Parish community.

Active participation is essential to our parish's vitality and spiritual well-being. Your help is both needed and appreciated!

Christian stewardship is a way of life based on the awareness that everything we have and everything we are comes from God.

A Christian steward is one who receives God's gifts gratefully, cherishes and tends them in a responsible manner, shares them in justice & love with others, and returns them with increase to the Lord.

Each member of the Church is called to practise stewardship. We are called to look outward and to place ourselves at the service of the entire human community, especially those most in need.

VOLUNTEERING

Our parish is blessed by the excellent spirit and generosity of those parishioners who live out their life of faith in the service of others and volunteer in our many ministries. More volunteers are always needed and welcomed.

If you are interested in becoming a volunteer, please fill out and return the form on the last page of this booklet. You will be contacted soon after.

A DUTY OF CARE

St. Luke's recognizes that we owe a duty of care to protect our parishioners and our parish. A volunteer must be prepared to share information about themselves with the parish and meet with a ministry coordinator.

Volunteers in roles involving minors, seniors and other vulnerable people, finances, and critical, sensitive information also require a Police Information Check.

PASTORAL CARE

(Residential and Home Visits)

The ministry of Pastoral Care provides spiritual and religious support to parishioners who are lonely, sick, shut-in, elderly, dying or grieving. Pastoral Care volunteers make regularly scheduled visits to homebound and senior residential parishioners. The home visits are weekly and they continue as long as the need persists. The purpose of the visit is to provide the person with an opportunity to receive the Eucharist as well as to spend time with the parishioner(s). Mass is celebrated on a weekly basis and a Mystery of the Rosary is prayed together before Mass at the senior residence. This service is provided since shut-ins and seniors-in-residences are often unable to attend the Eucharistic Celebration with the parish community.
