Looking Ahead to 2020

Again, in an attempt to decrease our expenses, beginning in the new year, we will be set up to accept recurring donations by pre-authorized payment (PAPS). This form of giving will be a cost-saving to the parish. This along with donations by credit cards provides a second option for you to make your donations other than using the assigned box of envelopes. If you would like to take advantage of either of these methods please contact Barb at the office and she will be happy to set this up for you.
