LUNCHEONS:

Our parish CWL offers the service of providing a reception, following a funeral for members of St. Luke's Parish.

We serve sandwiches, squares, tea, coffee, etc. The squares are donated by ladies of St. Luke's and we are most grateful for their donations. We purchase the other necessary ingredients from donations received.

The families of the deceased are most appreciative of this service and are most generous with their donations. Any monies remaining after the purchase of ingredients are donated to charity, mainly Birthright.

As we are often required to provide this service at very short notice, anyone wishing to help serve and/or donate squares, please call:

Lil Gelowitz @ 403.282.2087

Thank you for your assistance.
