### STEWARDSHIP: SHARING GIFTS OF TIME, TALENT AND TREASURE.

Christian stewardship is a way of life based on the awareness that everything we have and everything we are comes from God.

A Christian steward is one who receives God's gifts gratefully, cherishes and tends them in a responsible manner, shares them in justice & love with others, and returns them with increase to the Lord.

Each member of the Church is called to practise stewardship. We are called to look outward and to place ourselves at the service of the entire human community, especially those most in need.

### VOLUNTEERING

Our parish is blessed by the excellent spirit and generosity of those parishioners who live out their life of faith in the service of others and volunteer in our many ministries. More volunteers are always needed and welcomed.

If you are interested in becoming a volunteer, please fill out and return the form on the last page of this booklet. You will be contacted soon after.

# A DUTY OF CARE

St. Luke's recognizes that we owe a duty of care to protect our parishioners and our parish. A volunteer must be prepared to share information about themselves with the parish and meet with a ministry coordinator.

Volunteers in roles involving minors, seniors and other vulnerable people, finances, and critical, sensitive information also require a Police Information Check.
